Mr. Hoar Gets in Some Sound But  
Unwholesome Declarations.

NASHVILLE, March 25, 1879.  
Special to the Chronicle.

SENATE.—House bill to change  
the time of holding the Knox  
County Chancery Court passed its  
first reading.

House bill reducing the fees of  
Clerks of Courts was rejected.  
A Joint resolution was adopted in-  
structing collectors not to receive  
for taxes notes on the Bank of  
Tennessee.

HOUSE.—The House went into  
Committee of the Whole to discuss  
the State debt question, but arose  
immediately after and reported no  
progress.

Senate bill to adjust the debt at  
forty cents and four per cent. in-  
terest was taken up and discussed  
throughout the day.

The following amendment was  
offered by Mr. Lester: "Pro-  
vided, that when the bill shall have  
passed, the Governor be instructed  
to communicate with the creditors

of the State, or their chairman,  
and ascertain whether they will  
accept the terms of the settlement  
mentioned in this bill, and should  
they accept said terms that the  
terms of said settlement will be sub-  
mitted to the people in their sov-  
ereign capacity for their ratification

or rejection at the ballot-box, and  
no terms will be submitted to the  
people until the same is agreed to  
by the bondholders of the State,  
signified by their chairman."

This was rejected late in the af-  
ternoon by a vote of 41 to 29.

Senate bill to amend the act in-  
corporating the Knoxville and Ken-  
tucky Railroad passed second read-  
ing.

The Governor contemplates sug-  
gesting to the Legislature the prop-  
erty of calling a constitutional  
convention to adjust the State debt.

During the discussion on the State  
debt, Mr. Beasley denounced the  
bondholders as thieves and rogues,  
who had no rights in the settlement  
of the debt.

Mr. Snodgrass reappeared in his  
seat, the Governor having refused to  
accept his resignation.

## XLVI CONGRESS.

SENATE.

WASHINGTON, March 25.

The Committee on Privileges and  
Elections, by a strict party vote, to-  
day adopted a resolution declaring  
Charles H. Bell not entitled to a  
seat in the Senate, under the recent

appointment of the Governor of  
New Hampshire, there being, in the  
judgment of a majority of the com-  
mittee, no such vacancy as may be  
constitutionally filled by the Gov-  
ernor. Senators Saulsbury and

Bailey will prepare a report for  
presentation to the Senate in behalf  
of the majority, and Senators Hoar  
and Cameron, of Wisconsin, are to  
present in writing the views of the  
minority. The majority take the

ground that a gubernatorial ap-  
pointment is not valid, except when  
the vacancy has been created by  
death, or otherwise, after the actual  
election of the Senator by the Leg-  
islature. The minority contend that

an "original vacancy" can be filled  
in the same manner as any other,  
and allege that there are nine pre-  
cedents sustaining this view, and  
only one in the history of the Sen-  
ate against it.

In the Senate a large number of  
memorials were presented, among  
them a bill by Mr. Booth authoriz-  
ing the Secretary of the Interior to  
declare railroad grants forfeited, in  
certain cases.

Mr. Davis, of West Virginia, in-  
troduced a joint-resolution for a  
special committee to consider and  
report as to the best means of pro-  
moting agriculture.

The Senate took up the resolu-  
tion of Mr. Hoar declaring as un-  
constitutional and revolutionary the  
Democratic programme to legisla-  
tion announced by Mr. Beck  
at the close of the late Congress.  
Mr. Hoar spoke at some length on  
this subject, deprecating in em-  
phatic terms the course of legisla-  
tion thus prefigured, and saying that  
the dominant power sought to effect  
by a simple process what could be  
done only by a change of the Con-  
stitution of the United States, alter-  
ing the present relations of the Gov-  
ernment.

HOUSE.  
Mr. Harris, of Virginia, asked  
leave to offer a resolution directing  
the Committee of Judiciary to in-  
quire into the facts connected with  
the action of Alexander Rives, Judge  
of the United States District Court  
for the Western District of Vir-  
ginia, in interfering with the action  
of the State Judges holding State  
courts in accordance with the laws  
of Virginia. Mr. Conger objected.

Mr. Cox, of New York, asked  
leave to offer a resolution for the  
appointment of select Committees on  
Census, Declaration of Law Relat-  
ing to the Presidential Elections, Civil  
Service Reform, and Yellow  
Fever Epidemic.

Mr. Conger objected, stating that  
he would object to the introduction  
of anything unless it had reference  
to the Appropriation bills.

The House at 12:40 adjourned.  
Previous to casting his vote,  
Mr. Stephens, of Georgia, inquired  
if the Speaker was ready to an-  
nounce the committees. The  
Speaker replied he was not, and  
Mr. Stephens voted in the affirma-  
tive.

## NEW YORK.

NEW YORK, March 25.—A fire  
broke out this morning in the marble  
building, Nos. 178 and 180, Pearl  
street, which entirely destroyed the  
stock of Stratton & Storms, manu-  
facturers of tobacco and cigars,  
who occupied the third, fourth and  
fifth floors. They employed three  
hundred hands, mostly girls and  
women. Loss, about \$75,000.

The second floor of 178 was occupied  
by Descenberg & Son, varnishers,  
whose damage is \$8,000. Wm. T.  
Coleman, commission merchant, oc-  
cupied the second floor; loss \$10,000.

The first floor was occupied by  
Carl Upman, wholesale dealer in  
leaf tobacco, who loses \$10,000,  
mostly by water. The damage to  
the building owned by Mos Stevens  
will not exceed \$15,000.

## FOREIGN NEWS.

LONDON, March 25.—The British  
Government has accepted the ten-  
der of the Eastern Telegraph Com-  
pany for laying of the sub-marine  
cable to South Africa. The route  
is by way of Aden, Zanzibar, Mo-  
zambique, Delagoa Bay and Natal.  
It will connect with the whole of  
the Eastern system of telegraphy,  
extending to India, China and  
Australia.

A special dispatch to the Stan-  
dard from Pesth says: An affluent  
of the Koros River has burst the  
dike and inundated a large territory.  
Deravanya, with 1,200 inhabitants,  
is threatened with ruin. Tivul  
scarcely escape the terrible disaster.  
The water is breaking over the  
dykes, and the soldiers and laborers  
at work strengthening them are ex-  
hausted.

The Times' Berlin correspondent  
says: "Great satisfaction is every-  
where expressed at the cordial  
reception of General Chauzy, the  
new French Minister to Russia,  
official circles when he was passing  
through Berlin en route to St. Pe-  
tersburg."

The Times' Paris dispatch says  
that at a meeting of 29,000 spin-  
ners and weavers at Rouen, it was  
decided to send a deputation to  
Paris to represent to the Govern-  
ment the destitution of the working  
classes in consequence of the reduc-  
tion of wages, and in some cases the  
complete stoppage of work.

The Times' Berlin correspondent  
telegraphs that the subterranean  
telegraph in Germany is attaining  
vast dimensions. The Reichstag on  
Monday voted 1,830,000 marks for  
its further extension.

The Times' Paris dispatch says:  
"The pure and extreme Left Sena-

tors at the meetings on Monday  
unanimously favored the return of  
the Chambers to Paris. The Left  
Center, by a vote of 38 to 5, took  
an opposite view, on the ground of  
the uneasiness which would be ex-  
cited in the country."

In the House of Lords to-night  
the Marquis of Lansdowne will  
move the following resolution:  
Resolved, That this House, while  
willing to adopt her Majesty's  
Government in all necessary mea-  
sures for defending the posses-  
sions of her Majesty in South  
Africa, regrets that an  
ultimatum calculated to produce  
immediate war should have been  
presented to the Zulu King without  
authority from the responsible ad-  
visers of the crown, and that an of-  
fensive war should have been com-  
menced without an imperative and  
pressing necessity or adequate prepa-  
ration, and the house regrets that  
after the censure passed upon the  
High Commissioner by her Majes-  
ty's Government in her dispatch of  
the 19th of March, the con-  
duct of affairs in South Africa  
should be retained in his  
hands." The Government will  
meet this resolution with a direct  
negative motion by Sir Charles  
Dilke in the same form as that de-  
bated in the House of Commons  
Thursday.

WASHINGTON, March 25.—The  
Senate Select Committee to inquire  
into the alleged frauds in the late  
election, Mr. Wallace, chairman,  
will hold a meeting to-morrow to  
examine witnesses, including ex-  
Secretary of the Senate Gorham,  
on the subject of assessment for po-  
litical purposes, one of the points  
embraced in the resolution under  
which the so-called Teller Commit-  
tee, now reorganized with a Demo-  
cratic majority, was appointed.

As will be seen by announcement  
elsewhere a pound party is to be given  
at Williams & Zimmerman's old  
stand on Gay street to-morrow night  
for the purpose of raising funds to  
purchase an organ for the Church. It  
is hoped the ladies will have a good  
patronage.

The Rev. Dr. Reed and wife, of the  
Knoxville College, start this morning  
for Presbytery, which meets on the  
—inst. at Dickson, West Tennessee.  
After the adjournment of which they  
purpose taking an extensive tour  
through the South, taking in Vicks-  
burg, New Orleans, Mobile, Mont-  
gomery, and other places, on their re-  
turn, occupying some three weeks,  
during which time they will visit  
some of the institutions of learning in  
the South, and also superintending  
some business for the Board of Educa-  
tion. We trust they will have a plea-  
sant and profitable trip.
